13) The expn proposed to be incurred per year at the minimum rate for Mkt fund is Rs 24/- at the rate of Rs 2 for each shop. This amount is very small indeed, while the items to be attended to by them are many and heavy. The Dy. C. It does not however, seem necessary to sanction the proposal as a permanent measure as restored by the TMel. It might be sanctioned for a period of five years commencing
